#### Instructions:

- Seam allowances are  $\frac{1}{4}$ ", unless otherwise noted.
- Press the seams open.

#### Fabrics:

- A = Gold
- B = Lagoon

#### Cutting Instructions:

- Fabric A - Cut two 3" squares  
Cut four  $1\frac{1}{2}$ " x  $2\frac{1}{2}$ " rectangles  
Cut one  $2\frac{1}{2}$ " x  $2\frac{1}{2}$ " square
- Fabric B - Cut two 3" squares  
Cut four  $1\frac{1}{2}$ " x  $2\frac{1}{2}$ " rectangles

### Assembling the Block:

- Create four half square triangles by referring to the image below.
- Make sure you trim each half square triangles to  $2\frac{1}{2}'' \times 2\frac{1}{2}''$  after constructing. Be sure that each time you place the fabric squares right sides together that you are using one of each Fabric A and Fabric B so that you get a half square triangle made up of two different colors.

Place a Fabric A (yellow) 3" square and a Fabric B (blue) 3" square RST. On the wrong side that is facing up, draw a diagonal line. Sew 1/4" from each side of the line, then cut ON the line you drew prior to sewing to create 2 HST units. Trim each HST to  $2.5'' \times 2.5''$ . You will need to repeat this with the other Fabric A (yellow) 3" square and the remaining Fabric B (blue) 3" square.

Dotted lines are stitch lines.  
Solid diagonal line is the line you will draw (and then cut on after sewing)

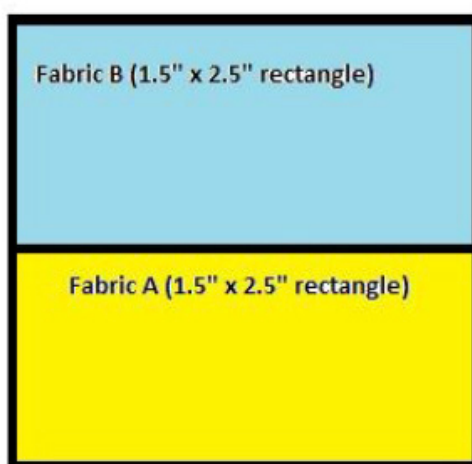

Cut down center diagonal drawn line after sewing both lines.

- Construct your  $2\frac{1}{2}$ " x  $2\frac{1}{2}$ " squares from the  $1\frac{1}{2}$ " x  $2\frac{1}{2}$ " rectangles. Refer to the image below.

- Assemble the top row by sewing in this order: Half square triangle (with Fabric A at the top left corner) to the square made up of rectangles (with Fabric B at the top and A at the bottom), to the half square triangle with Fabric A at the top right corner. Refer to the block diagram for layout and orientation.
- Assemble the middle row by sewing in this order: Square made up of rectangles (with Fabric B at the left and Fabric A at the right) to Fabric A  $2\frac{1}{2}$ " x  $2\frac{1}{2}$ " square, to the square made up of rectangles (with Fabric A at the left and B at the right).
- Assemble the bottom row by sewing in this order: Half square triangle (with Fabric A at the bottom left corner) to the square made up of rectangles (Fabric A at the top and B at the bottom), to the half square triangle (with Fabric A at the bottom right corner).
- Assemble the block by sewing the rows together to complete the  $6\frac{1}{2}$ " x  $6\frac{1}{2}$ " block.
