 Confetti 48"x60"
## Michelle Hart

## Inspiration:

I wanted to create a bright and bold pattern using simple design. The colorful design on my planner cover provided a starting point. I dove into my Kona cotton stash and randomly placed colors to create a vibrant kaladescope effect. This design would also be a great way to use your scraps and is charm square friendly.

## Materials:

- Low volume white fabrics - $1 / 2$ yard total
- Kona solids - FQ of each or charm squares
- Fabric for binding - $1 / 2$ yard
- Backing - $31 / 4$ yards
- Batting - 52" x 64" piece
- Coordinating thread for piecing
- Thread for quilting

## Accessories:

1. Basic sewing supplies
2. Rotary cutter
3. Cutting mat
4. Quilting ruler
5. Washable glue with a fine tip or pins
6. Iron
7. $1 / 4$ " foot
8. Accufeed Ditch Quilting foot (optional)

## Making the blocks:

## Half Square Triangle (HST)

Note: This method makes two matching HST. The cutting requirements list the number of sets that should be made.

1. Draw a diagonal line across the back of one of the 5 " squares.
2. Place on top of another 5 " square matching colors according to the diagram.
3. Stitch using a scant $1 / 4$ " seam with the $1 / 4$ " seam foot along either side of the diagonal line and cut apart on the marked line.
4. Press squares open and trim to $41 / 2^{\prime \prime} \times 41 / 2^{\prime \prime}$.

## Piecing the quilt:

1. Lay out the blocks as shown in the diagram. Pin or glue and sew blocks into rows. Press seams as outlined in the diagram.
2. Sew the rows together, nesting seams to form the quilt top.
3. Baste the top, batting and backing together to form a quilt sandwich.
4. Quilt as desired. I used The Accufeed Ditch Quilting foot set at a stitch width of 0.0 and a stitch length of 2.8 to quilt lines along each side of the seamline.
