You may see this warning, click YES

Micros	oft Word Security Notice	?	\times		
۲	Microsoft Office has identified a potential	ecurity o	oncern.		
Hyperlinks can be harmful to your computer and data. It is important that this file is from a trustworthy source.					
http://www.janome.co.jp/e/e_downloads/m770toolv20.html					
Clicking yes will enable all the hyperlinks in this file, for this session.					
Do you want to continue?					
	Yes	<u>1</u>	<u>V</u> o		

Click <u>Run</u> and follow the screen prompts to install and finish the USB installation.

闄 M770Tools - InstallShield Wizard			
	Resuming the InstallShield Wizard for M770Tools		
	The InstallShield(R) Wizard will complete the installation of M770Tools on your computer. To continue, click Next.		
	< Back Next > Cancel		

You will now see the M770Tools icon on your desktop.

At this point, please turn off the firewall either in Control Panel or within the antivirus software.

Now on the M770Tools click "USB Driver Installer"

User account control may ask you if you want to allow this program to make changes, click YES.

Follow the screen prompts on the Installation Wizard to install the driver.

Once the driver installation has finished, you may try to send files from your Artistic Digitizer or Digitizer embroidery software directly to your MB-7.
