

# Business In A Box

## Start Your Embroidery Business Today!

This Business in a Box is the first step to turning your multi-needle embroidery machine into a successful enterprise. Included in this box is everything you need to get started!

You'll find extra bobbins and needles, 77 thread colors, and a second of all of the standard hoops that came with your machine so that you can hoop another project while one is being embroidered. There's also two hat hoops, and a Quick Snap Hoop Set to help you hoop projects quickly and easily.
