

Sew Comfortable: Grips & Precut Templates

JANOME

SEW comfortable

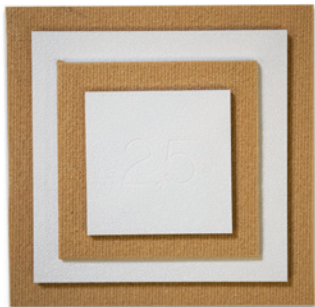

Enhance your sewing experience with the Sew Comfortable line of sewing accessories. These new tools from Janome's Sew Comfortable line will help keep your fabric tight while sewing, allowing for more grip during free motion quilting. Also available are square and triangle templates for precise measurement.

FM Quilting Paddles
JA-PDL
MSRP: \$54.99

Hold your fabric from the sides rather than hooping, and quilt in comfort with the ergonomic handles.

Easily complete any quilting project with this addition to your sewing tools.

Square Template Set
JA-SQ
MSRP: \$29.89

Triangle Template Set
JA-TRI
MSRP: \$21.24

These templates stay secure on your fabric with no-slip material for easy cutting of squares & triangles.

Precisely measured for convenience in common quilting sizes.
